

**6<sup>th</sup> Annual Meeting of the Global Task Force on Cholera Control (GTFCC),  
3-4 June 2019, Veyrier du Lac, France**

The 6<sup>th</sup> Annual Meeting of the Global Task Force on Cholera Control will take place on 3 and 4 June 2019, hosted by the Fondation Mérieux in their conference Centre Les Pensières in Veyrier du Lac, France.

The meeting will be an opportunity to present an update on GTFCC activities over the last 12 months and to discuss how the GTFCC can best support countries to implement Ending Cholera: A Global Roadmap to 2030.

Specifically, the proposed objectives of the meeting are to:

- Provide an update on progress of cholera control activities in endemic countries
- Review the activities of the GTFCC partners and the working groups over the last 12 months
- Validate the Cholera Elimination Framework, i.e. the guidance to countries on how to develop National Cholera Elimination Plans (NCPs) and their components
- Present the services provided by GTFCC to support countries in all the steps of the process
- Discuss the Cholera Investment Case and the advocacy and resource mobilization strategy for cholera and agree on the way forward
- Discuss the structure of the GTFCC for effective country support

**Dates:** 3 to 4 June 2019

**Location:** Veyrier du Lac, France
